NATUREMOSS

Signage can be incorporated onto any of our Naturemoss products. Whether acrylic, timber or metal, illuminated or not, Naturemoss panels offer a unique background to signage that really makes it stand out.

# Signage. **guide**

## Step 1. create

choose your signage

create your own text/logo/shape

# Additions.framing

NATUREMOSS

Where the edges of the Naturemoss panels are visible or to create an art feature we can provide a selection of framing options.

For some types the moss can be wrapped over the edge of the board, but all types can be supplied with a variety of stylish, simple frame options.

# Framing. **guide**

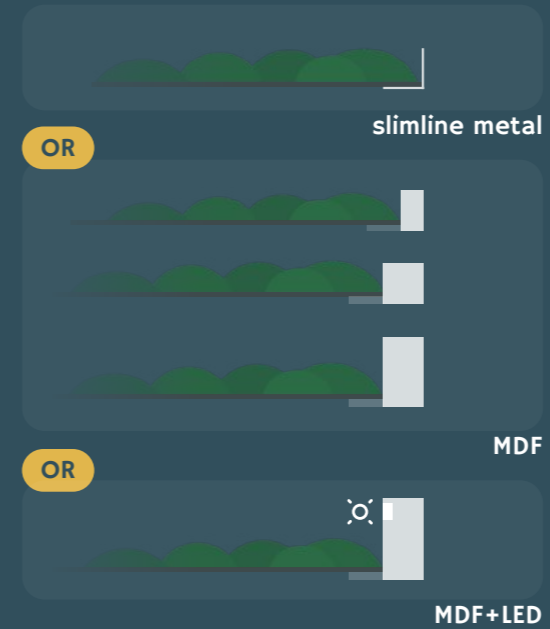

## Step 1. picture

choose your size

## Step 2. profile

choose your edging

## Step 3. moss
