Additions.signage

NATUREMOSS

Signage can be incorporated onto any of our Naturemoss products. Whether acrylic, timber or metal, illuminated or not, Naturemoss panels offer a unique background to signage that really makes it stand out.

Additions.framing

NATUREMOSS

Where the edges of the Naturemoss panels are visible or to create an art feature we can provide a selection of framing options.

For some types the moss can be wrapped over the edge of the board, but all types can be supplied with a variety of stylish, simple frame options.

We can also create bespoke frames on request to suit your specific needs.
